The cooler weather promised for Monday and Tuesday proved a fake, pure and simple; if anything, the heat was more intense than that of Sunday. A Constipation Remedy Free

There is no action of your daily life of greater importance than to see that your bowels move. They should move at least once a day naturally, and by that is meant without any help. If they do not move at least once a day you can consider yourself constipated and it is time you did something about it.

You will be glad to know there is a way out of the difficulty. Lemuel Landerdale, an old soldier at Quincy, Ill., Elmer McMillan, of Speed, Mo., Mrs. Monahan, of Stonewall, Miss., and many others were as you are now. But one day they awoke to the fact that Dr. Caldwell's Syrup Pepsin was curing their friends, and they bought it too and it cured them. Today they are loud in praise of it.

What Dr. Caldwell's Syrup Pepsin did for them it should do for you. Surely your constipation is no worse than theirs, one of whom had it since '61. It only remains for you to realize that salts are of but temporary good, and what you want is a permanent cure; that purgative tablets, cathartic pills and such violent things make a great show of doing something, but do nothing that is lasting. Dr. Caldwell's Syrup Pepsin is a scientific preparation, a laxative- tonic, a mild syrupy liquid that contains ingredients that not only cure the constipation, but tone the intestinal muscles so that they learn again to work without help. A bottle can be bought of any druggist for the small price of 50 cents, and there is a dollar size for families who have already found out its wonderful value in stomach, liver and bowel troubles, in old or young.

Send your name and address to the doctor and a free trial bottle will be sent you so that you can test it before buying.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

### TOBACCO TAX

**To Come Off in New Tariff Bill—Victory For the Farmer**

Senator Aldrich has withdrawn his opposition to the removal of the internal revenue tax from tobacco when sold in the natural leaf, either by the tobacco farmer or the farmer's vendee.

A Treasury Agent is now engaged with Aldrich in drawing up regulations that will prevent fraud when this tax is removed.

The farmer probably will be required to keep a record for the inspection of Internal Revenue Agents, showing the date and amount of each sale, and to whom sold.

### EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hips? That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Dressel, 1233 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
